## REGISTER FOR IBM CLOUD

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and 'Brundha B's Account'. Below this, the 'Dashboard' section features a 'For you' area with several recommended services and tutorials, including 'Build', 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'Build a Virtual Private Cloud (VPC)', 'IBM Watson Knowledge Catalog', and 'IBM Cloud Migration Services'. Each service card includes a brief description, a 'Getting started' button, and a time estimate. To the right of these cards is a 'Select an option' dropdown menu. Below the 'For you' section, there are four more panels: 'News' (listing updates like 'IBM Cloud Satellite New Pricing'), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (showing a world map). The bottom of the dashboard features a Windows taskbar with various application icons and system information like temperature (26°C) and time (21:05 on 17-11-2022).
